

## Bluewater Region – Running Board News January 2023

### President's Report

#### A note from President Fred...

Let me begin by wishing everyone a very Happy New Year and all the best in 2023. These past few years in our world at large have been challenging to say the least but as time moves on let's hope that as we come to terms with our "new order" we will once again be able to move outward and enjoy all that our great club has to offer..!

Your executive is so looking forward to welcoming everyone into the "new normal" and we all look ahead to a great year of touring in our beautiful Blue Water country and beyond. Special thanks to all who organized and led tours this past season for our members...you are truly appreciated. As a final note, it is with great pleasure that we welcome several new members and associate members to our Bluewater family.

Take care everyone..stay safe and healthy and let's look forward to the New Year and all that it has to offer..!!
