Well it is September and it still feels like we are in “Jail” some days. Much better if we get out and go shopping, distancing always, visiting with friends and better still if we get an old car out of the garage, clean it up and go for a drive, which is what we are planning to do NEXT Wednesday, September 16th. See details below.

The first Saturday of the month we get together at McDonald’s and that continues to be well attended. It is a great time to keep in touch with fellow members and share old car stories among all the other things we talk about. We have been meeting in the rear parking lot, taking our lawn chairs and enjoying the early morning weather. It was cool last Saturday morning, but attendance was good – lots of space for social distancing and/or wearing a mask.

Summertime Tour 2020: We did have a great drive by at Rockwood Retirement Home in Durham, even got honorable mention in the Grey County – Colour It Connection, a leisurely drive through the countryside, a picnic lunch at a park just south of Clifford, a tour of an Alpaca Farm and a visit to historic Neustadt (visit our website for photos and memories) Thanks to John and Lois Lockner for a great day.

We have had two executive meetings, but unfortunately all our main events planned for 2020 have either been cancelled or postponed due to COVID-10. **Stay in touch by visiting our website at www.bluewatercarclub.com.** If you currently receive your newsletter by mail and would like to receive it by visiting our website, please advise Sharon and she will add you to our email list. ALL our outings are posted on the website and notices are sent out by email.

COVID-19

How are you doing? We know that most of us are still feeling the effects of self isolating and that we are now starting to move about more freely while remaining cautiously aware of our surroundings. We are reminded constantly that the best thing for everyone is to remain vigilant. And for the most part we are all doing that. The statistics are showing this. But our job is not done just yet. We still have a little way to go. If you are feeling that you would like to talk to someone, please don't hesitate to contact any one of our executive or directors. Their emails are on the home page of our website. We would love to share with you our feelings too. If you are finding you need some assistance with anything, don't hesitate to communicate that to us also. The Bluewater Region Car Club is a family and we are here for you.

Let's continue to follow precautions, wear masks and practice social distancing

Please stay safe, stay healthy and stay connected!
